

3-DAY TRAINING COURSE: CORK

Voice Collective Group Facilitation

PEER SUPPORT GROUPS FOR YOUNG PEOPLE WHO HEAR VOICES

ABOUT THE COURSE:

This innovative and interactive 3 day course will help you to develop the understanding, skills & confidence necessary to develop a Voice Collective peer support group in your organisation.

It combines personal and professional experience to cover the following areas:

- Understanding the experience and impact of voices, visions & 'psychosis'
- Understanding the HVN approach and how to apply this to work with children & adolescents
- Developing a toolbox of coping strategies to support children & adolescents in their recovery
- Understanding peer support & developing creative ways of working with young people
- Setting up, launching and sustaining a Voice Collective peer support group
- Practical skills for group facilitation

WHO IS THE COURSE FOR?

- People who have a genuine interest in facilitating/co-facilitating a group, inc: voice-hearers, nurses, psychologists, support workers, youth workers, therapists, OTs, volunteers, social workers etc.

We particularly welcome joint applications from mental health staff who have an agreement/opportunity to set up a group in their setting.
